

HOUSE OF COMMONS
LONDON SW1A 0AA

Mr Ian Vincent
Chief Executive of Daventry District Council
Lodge Road
Daventry
Northamptonshire, NN1 4FP

22nd January 2020

Ian,

**LETTER OF SUPPORT RE: BYFIELD MEDICAL CENTRE PLANNING APPLICATION
DA/2017/0826.**

As Members of Parliament for Daventry and South Northamptonshire respectively we wanted to, once again, express our wholehearted support for a new and expanded health facility in Byfield.

Over the last several years we have worked together to support the above proposal in whatever way possible.

In light of this, we were pleased to learn that despite the recommendation of planning officers to refuse the above, Daventry District Council's Planning Committee have instead deferred the matter, in a decision made on 15th January in light of overwhelming support from local residents.

We do hope that with further consideration this matter can finally be put to rest and patients in both our respective constituencies can benefit from a much needed, new and improved, medical service in Byfield.

With this in mind, we would like to once again, express our overwhelming support for Byfield Medical Centre. As the meeting on 15th so clearly showed, residents in the surrounding area feel very strongly on this subject and we would like to echo that sentiment.

We do hope this application will be approved so that the future of local patients can be secured.

Yours sincerely,

**CHRIS HEATON-HARRIS MP
MEMBER OF PARLIAMENT FOR DAVENTRY**

**ANDREA LEADSOM MP
MEMBER OF PARLIAMENT FOR SOUTH NORTHAMPTONSHIRE**
